Better Value

Better World

Better Health

Why our customers love EWT's G1 Drinking Water system?

- Reduces chlorine and chemical byproducts in drinking water
- No more buying expensive bottles
- No more filling jug filters
- Provides great-tasting filtered drinking water from our stylish G1 Tap
- Neutralises odours from your tap water
- Filters sediments from you drinking water
- Reduces and removes over 50 drinking water contaminants which may and may not be in your water
- G1 is designed for water that meets European Drinking Water Regulations and is microbiology safe

Use great-tasting filtered water for
brewing coffee, mixing baby formula,
hydrating pets, and more
